A NOTE FROM AUGUSTINE PAYNE, EXECUTIVE DIRECTOR

Hello friends,

We are going to start having a weekly carpool down to Emma Goldman Abortion Clinic on Thursdays (the day they do abortions) to pray. Please see page seven for more details. If you are unable to join us in-person, please join us in spirit by praying from where you are at on Thursday mornings, especially during the hours of 7:30am - 10:30am. If you are like me, sometimes the busyness of the morning can take over, so setting a weekly reminder on your phone may prove to be helpful.

I also have a couple of additional prayer requests for the month of April. 1) For a pro-life outcome in the Wisconsin Supreme Court election on April 4th. This election will have major implications for the pro-life cause in the state of Wisconsin. Please see page seven to learn more about the consequences of the election. If you are in Wisconsin, please exercise your civil duty and go vote. A way to increase your impact is to also encourage your pro-life friends to go vote. 2) In Iowa, as Attorney and Board Member, Art Gilloon mentions in his legislative and judicial update, we have the oral arguments for the Heartbeat law being heard by the Iowa State Supreme Court. Please keep the pro-life lawyers and all the Justices in your prayers in the coming weeks.

Prayer is something we can all do together and have a great impact. Another great way of intercession is to fast from some of our favorite things. That may mean giving something up completely, or just doing less of something. For example, I like some coffee with my cream. You could either give up coffee or cream, or just have less of cream or not as much coffee that day. The Lord hears our prayers, so lets storm Heaven on behalf of the pro-life cause.

I would also like to highlight an upcoming opportunity to grow in your pro-life beliefs. It is our 29th annual Life Dinner on April 21st with the keynote by Dr. Lile. This is our biggest gathering of the year and it has always been a great time had by all. I hope that not only you will join us, but that you will also invite others to come with you. Last year, someone who was on the fence was invited to the dinner, and they had a change of mind after hearing Dr. Levatino's testimony. Praise God!! Dr. Lile also has a very impactful talk, so let's invite people and grow our movement! Thanks to all those who fill tables every year!! Your enthusiasm to bring others to the dinner is inspiring.

Also, we are doing something new at our Dinner this year. We are going to remember those who have been involved in the movement in our area, but have not lived to see the overturn of Roe. It was a great day to see Roe tossed out by the Supreme Court, but there were many people who did a lot for the pro-life cause, but did not live to see the day. Will you kindly call our office to tell us their names or send an email to dctrl@dctrl.org? It would be greatly appreciated

I look forward to celebrating LIFE with you on April 21st!! And I wish you and your family a happy and blessed Easter!!!

Augustine Payne

PRO-LIFE COURT & LEGISLATION UPDATE

By Arthur F. Gilloon, Attorney and Board Member

Dear Pro-Life friends –

It is reported that more than 50% of the abortions today are medication abortions. These are abortions done by the woman taking so-called "at-home" abortion pills: (Mifepristone and Misoprostol). Mifepristone blocks the hormone progesterone and basically starves the unborn baby to death. Misoprostol induces labor and expel the baby's body. It is a savage and cruel destruction of the pre-born person, and is unsafe for women physically and psychologically.

The legality of these baby killing pills is the subject of court, legislative, and prosecutorial attention around the country of which you need to be aware.

For example, on March 15, 2023, pro-life lawyers for Alliance Defending Freedom (ADF) squared off in a 4-hour Texas federal court hearing against pro abortion lawyers from the FDA, and pro abortion lawyers from the company that makes the abortion pills, Danco Laboratories. ADF seeks to force the FDA to withdraw or suspend its approval of mifepristone while the lawsuit plays out. Because the case is in federal court, the judge's ruling could have implications throughout the nation.

In recent legislative action regarding abortion pills, Wyoming governor Mark Gordon signed into law a baby/mother protective bill on March 17, 2023, outlawing abortion pills. The bill's passage indicates that Wyoming's legislature and governor are very prolife. It is the first such state law in the country, and hopefully more will follow.

In recent administrative action, Iowa's pro-life Attorney General, Brenna Bird, and 19 other state attorneys general co-authored a letter to CVS and Walgreens pharmacies, warning them that they could face adverse legal consequences if they sell abortion pills by mail in Iowa or other states.

It is important for all of us to stay informed on local, state, and national news surrounding at-home abortion pills, because much of the battle against abortion will focus on this area.

In regard to the MOMS bill in Iowa (More Options For Maternal Support), there are proposals in both the Iowa house and senate being debated as this newsletter goes to print. It is the hope of Iowa pro-lifers that funding for this very important legislation will be at least \$2 million dollars. With passage of MOMS funding, we will have the first real commitment of Iowa state dollars to assist women in choosing life. MOMS will provide real and practical help to moms throughout pregnancy and beyond, with everything from rent to education to employment to car seats, cribs and much, much more.

Lastly, we await a decision from the Iowa Supreme Court on the fate of Iowa's Heartbeat law, that would restore protection to preborn people after a heartbeat is detectable, usually at about 6 weeks after conception. Oral arguments before the Iowa Supreme Court in Des Moines are scheduled for April 11. Please pray for the pro-life lawyers that day and watch for news. A decision by the Supreme Court is expected by June.

Stay prolife, and stay tuned. DCRTL will keep you informed.

Arthur F. Gilloon

Easter*

Mother's Day Rose Sale

Make this Mother's Day extra special for someone you care about! On this day we remember all the sacrifices mothers have made throughout their lives to help their children grow and develop into adulthood. What better way to honor your mother than with a beautiful bouquet of roses that she will love? Rose bouquets (12 roses) can be obtained from DCRTL for a \$25 donation. Please stop into the DCRTL office (2205 Carter Road, Dubuque) or call us (563-556-5960) by 3:30pm on Friday, April 28 to order a bouquet. If ordered, the bouquet pick-up will be at the DCRTL Office (2205 Carter Rd, Dubuque) Friday, May 12, 11am-4pm. Payment for the bouquet(s) will need to be made before pick-up please. Dubuque County Right to Life will have single roses available for a donation at many of the local churches over Mother's Day weekend. Thank you for your generosity! But more importantly, thank you to all of the wonderful mothers, grandmothers, and motherly figures who are a major part of our lives.

IOWA MARCH FOR LIFE

JUNE 24, 2023 - DES MOINES

On June 24th, the 1st anniversary of the overturn of Roe v. Wade in the Dobbs v. Jackson Supreme Court Decision, members of the Iowa Coalition of Pro-Life Leaders (of which DCRTL is a member) are joining together to organize a State March for Life at the Iowa State Capitol!! It would be great to have many buses going from the Dubuque area!!

We would like to make it as easy for as many people to attend as possible. The cost to take the bus is \$25 per person with a maximum of \$100 per family.

Depart Dubuque area by 8am. Arrive in Des Moines around 11:30 am. Pack a picnic lunch to eat at the Capitol grounds while viewing sponsor tables. There will be time to possibly tour the Iowa Capitol prior to or immediately after the March. Rally will begin at 1pm with the March to immediately follow. We will depart Des Moines and begin our return trip to Dubuque around 3:30.

To sign-up, please contact our office at 563-556-5960 or email us at dcrtl@dcrtl.org.

If it's easier for you to meet us at the Capitol instead of taking the bus, please feel free! If you have enough interest from your area or church to fill a bus (56 people) or buses, please contact Augustine Payne for more details.

Sidewalk Witnesses Needed

DCRTL plans on having a carpool go down each week to Emma Goldman Clinic to pray outside of the abortion clinic on Thursdays when they do abortions. We need to leave our office by 6am to get down there by 7:30am when the mothers begin to arrive. We will stay for a couple of hours and then drive back. Would you be interested in going on a particular Thursday each month? Or maybe you are interested in every Thursday? The car trip goes by fast because you are in great company. You do not need to do sidewalk advocacy if you do not feel called to do it. It is great to have people out there praying on a public sidewalk and there is great power just in that. Call our office to sign-up (563-556-5960) so we know to expect you.

High School Senior Scholarship Contest

We are hosting our annual Scholarship Speech Presentation day at the DCRTL office on Saturday, April 8th. If you cannot be there in person, we will have a LIVESTREAM of the speeches on our Facebook page (www.facebook.com/dcrtl) and possibly our Instagram page (<https://www.instagram.com/righttolifedubuque/>).

If you cannot attend in-person, please tune in starting at 9:00am to watch the students present their speeches on the topic, "Life in a Post-Roe America: Meeting Challenges, Finding Opportunities."

Like last year, those attending in-person and on Facebook live, will be awarding "The People's Award" in the amount of \$250 to the speech that receives the most votes, so be sure to tune to choose your favorite speech if you cannot be there in-person. NOTE: voting will begin when announced and only the votes following that time will be counted.

Catholic Teaching on End-of-Life Issues

St. Mary's pro-life group would like to invite you to Dr. Caitlyn Trader's presentation titled, "Catholic Teaching on End-of-Life Issues." The event will take place on Tuesday, April 25th at 6pm at St. Mary's Church Hall, 130 W. Cedar, Platteville WI.

Dr. Caitlyn Trader is the Director of Bioethics at WI Right to Life. Dr. Trader has a doctorate in Sacred Theology, an M.S. in Bioethics, and a certification in health care ethics from the National Catholic Bioethics Center. She specializes in ethical issues at the end of life.

If you are interested in carpooling to the event, please contact our office at 563-556-5960

Wisconsin Supreme Court

On April 4th, Wisconsin is having an election to elect the next Wisconsin Supreme Court Justice. The current landscape of the WI Supreme Court is 4-3 leaning conservative. The retiring Justice Patience Roggensack tends to vote with the conservative majority. The race to replace Justice Roggensack is between Dan Kelly (who has been involved with pro-life organizations in the past) and Janet Protasiewicz who stated during the candidates only debate that women should have the right to abortion. Abortion hangs in the balance of this election for Wisconsin as the status of abortion is in the court. The spending on this race has far outspent any other state supreme court race by the millions.

5th Grade Poster contest winners

During Respect Life Month, several of the area schools participated in our 5th grade poster contest! That means hundreds of 5th graders! The theme this year was “Every Life is Worth Living” which encouraged great creativity from the students. The students did such a great job! Thank you to all the volunteers who helped pick our 2022 winners!

Normally we do winner presentations in the Fall, but due to a delay in producing the new t-shirts we created, we were not able to recognize the winners until March. Better late than never.

A big thank you to all the students who participated and especially to the parents and teachers who helped encourage the students in this endeavor. It's such a fun and creative way to build awareness of the sanctity of all human life. Each student who participated received a pro-life lollipop (it has the size of the pre-born child's feet at 12 weeks coated on it) and one of our 12-week life size preborn models to take home (see picture below). Congratulations to our 1st, 2nd, and 3rd place overall winners as well as a top winner from each school listed below!! The winning posters will be showcased at the Life Dinner for you all to see. The other posters we offer to local nursing homes and hospitals to display in their halls for their people to enjoy.

Life Dinner Update

Our 2023 Life Dinner Speaker, Dr. Bill Lile, guest on Fox News

At the beginning of March, our Life Dinner Speaker, Dr. Bill Lile, was on Fox & Friends First to comment on the recent news from the American College of Obstetricians and Gynecologists (ACOG) Conference. The theme for this year's conference was Building Bridges: Creating Connection in Medical Education. The American Association of Pro-Life Obstetricians and Gynecologist (AAPLOG) was abruptly banned from attending the conference. This is after

AAPLOG had an exhibit at this conference for the past fifteen years and had their booth booked last year. It seems ACOG was not interested in building the bridges of dialogue with the pro-life side. As Dr. Lile says, a person is a patient no matter how small.

Join us on April 21st beginning at 5pm at the Grand River Center for a fun evening and a great presentation!!

Ways to RSVP

If you have not made plans to attend our Life Dinner yet, there are three ways you can sign up. 1) Online by visiting our home page, dcrctl.org, and using the sign-up form. 2) Mail us the response card you received in the mail with your invitation. 3) Email us with your reservation at dcrctl@dcrctl.org. 4) Call our office at 563-556-5960.

Special Session for Medical Professionals

Dr. Lile will also be presenting on Abortion Pill Reversal to medical professionals in our area prior to the dinner. If you are a medical professional and would like to learn more or sign-up to attend, please reach out to our office. In chatting with Dr. Lile, he said that it would also be great to not only have doctors, but also nurse practitioners, physician assistants, pharmacists, etc. If you are a medical professional and want to get involved in this great work, contact our office today to RSVP.

Remembering our fellow pro-lifers who passed away prior to Roe being Overturned

We are also looking to do something special this year. There are many people who were supporters of DCRTL and the pro-life movement, who never lived to see the great day when Roe was struck down. We want to remember them in a special way at this Life Dinner. If you know someone who should be on the list, please contact our office at 563-556-5960 or email us their names at dcrctl@dcrctl.org.
