DECEMBER 2023 VOLUME 26 NUMBER 12

Night of Prayer for Life

Tuesday, December 12th

6:00 - 8:00pm

St. Columbkille Parish
(1240 Rush St, Dubuque, IA 52003)

Everyone is welcome. Please join us for the whole time, for one hour, or for even just a few minutes. Whatever your schedule allows!

During this time there will be exposition of the Blessed Sacrament, recitation of the Rosary with meditations centered on pro-life themes, hymns of praise led by Brandon & Cassie Schetgen, Scripture reading and meditation by Deacon Travis King, and Benediction. There will also be periods of quiet adoration of the Blessed Sacrament throughout the evening, and confession will be available.

Traditionally we have held the National Night of Prayer for Life on December 8, the day that Catholics celebrate the feast of Immaculate Conception. It was on the Feast of the Immaculate Conception that Our Lady of Guadalupe, patroness of the Americas and the Unborn, first appeared to St. Juan Diego. On December 12, the Church celebrates the feast of Our Lady of Guadalupe, which is also an appropriate day to pray for the protection of all human life.

A NOTE FROM AUGUSTINE PAYNE, EXECUTIVE DIRECTOR

Dear Pro-Life Friends,

By this time, most of you have heard about the results of the Ohio amendment to include abortion in the Ohio Constitution. Sadly, it passed 57% to 43%. More on the legal side can be found in Art's Legislative Update on page five.

The most cited reason why it passed was the money spent. The pro-aborts had more available funds and far outspent the pro-life side by almost 2-1. This has also been the most cited reason why we lost in the prior ballot initiatives in other states. Following the results in Ohio, there was one unique statement out of all the statements that I read (I only read a fraction of them). It came from Kristan Hawkins with Students for Life. She used the image of David and Goliath.

She stated that if we are going to continue trying to fight Goliath the Goliath way, we will lose. We need to learn how to fight more like David with our slingshot and five smooth stones. When I shared that thought with my wife, Molly, she reminded me that David also didn't wear any armor in the battle with Goliath. Wow! If you go back and read this story in 1 Samuel chapter 17, David tried on the armor but quickly took it off because it had hindered him from moving freely as he was not used to wearing armor. He brought his staff, a slingshot, and five smooth stones to battle Goliath, who had a much bigger physique than David.

David not only fought a different way in appearance, he fought in the name of the Lord. He knew it was not just through his own strength that he would defeat Goliath. There are many examples in history of God's intervention causing a conversion of people and bringing about a victory.

There are also secular examples where money does not win the day. How do lower-budget teams win in sports? They know their end goal, create a strategy to get there, and bring the right players together to execute that strategy. My favorite example is the 2005 White Sox, who won the World Series in a year when their payroll was thirteenth out of all of the major league teams that year.

Money still matters. We just can't be ultra focused on how much we are spending compared to the other side. Rather, let us look at our actions to see if they are being fruitful. With the overturn of *Roe v. Wade* last year and since losing several ballot initiatives, in order for the pro-life side to win, we need to rethink our strategy on what it takes to make abortion unthinkable. This is not something that comes overnight; rather, we must think hard about what we must do to win our culture for LIFE. We entrust the results of our efforts to the Lord, that He will change the hearts and minds in our area.

On Tuesday, December 12th, we will gather at St. Columbkille's to pray that the Lord will bless our efforts to bring an end to abortion in our country, and that the people who support abortion will be converted. If you are able to, please join us.

If you are unable to join us for our night of prayer or for our Christmas party on December 9th, I hope you have a blessed season of preparing for the coming of the newborn Christ, as well as a joy-filled Christmas!

For Life,

Augustine Payne

P.S. As you will see in this newsletter, we have a treasurer!! Many thanks to John Freund for continuing to be in that position as we sought someone to fill the role.

PRO-LIFE COURT & LEGISLATION UPDATE

by Art Gilloon, DCRTL Board Member & Attorney

Dear Pro-life Friends---

What a difference a new Iowa Attorney General makes! You may recall that former Iowa Attorney General Tom Miller would not defend Iowa's heartbeat law. In a wonderful contrast, Iowa Attorney General Brenna Bird has not only appealed the Iowa District court's suppression of the Heartbeat Law, but has now filed her first brief (i.e. written argument) as Attorney General with the Iowa Supreme Court. Upon filing her brief with the court, Attorney General Bird commented,

"No right is more valuable than the right to life... We know that every moment counts when it comes to protecting the unborn and are working diligently to ensure the Heartbeat Law is upheld. I'm confident that the law is on our side, and we will continue fighting to defend the right to life in court."

(If you would like to read Attorney General Bird's brief, enter the following link into your browser: <https://www.iowaattorneygeneral.gov/search?q=> and then enter the search words, "Planned Parenthood").

On another front, Attorney General Bird joined 19 other state Attorneys General in a legal brief filed with the U.S Supreme Court, asking it to uphold an April 5, 2023, ruling from the 5th Circuit Court of Appeals that halted mail-order abortions that put women's lives at risk, condemned the improper FDA approval process for the drug, and restored strict limits on chemical abortions. Again, it makes a BIG difference that Iowa now has a pro-life Attorney General.

In some sad news, a majority of Ohioans recently voted to insert abortion rights into their state constitution. While this is bad news, perhaps pro-lifers in Ohio can follow the model being set in Michigan. There, Michigan pro-life forces have sued to overturn Michigan's pro-abortion amendment to its state constitution. You may recall that in November, 2022, Michigan voters approved pro-abortion language, amending the state constitution of Michigan. A pro-life lawsuit seeks to annul the amendment, and rightfully claims that it illegally overrides parental rights regarding their minor children, endangers the medical practice of pro-life physicians who refuse to perform abortions, and wrongfully denies the Michigan legislature's right to make appropriate laws regarding abortion as Michigan's elected representatives. To read more about this lawsuit, go to liveaction.org.

Also, be aware that our neighbors to the west are threatened by Planned Parenthood, the ACLU of Nebraska, the Women's Fund, and other pro-abortion groups who have filed a petition proposal that seeks to insert unlimited abortion through all nine months of pregnancy in the Nebraska state constitution. Nebraska law currently protects unborn children after 12-weeks gestation, prohibits mail-order abortion death pills, has a 24-hour waiting period, and has parental consent provisions. Under the proposed pro-abortion amendment, all these protective pro-life laws would be negated. Spread the word that the fight is on to protect the unborn and women in Nebraska.

Note that in Iowa, a constitutional amendment may only be put to a vote after being passed in two successive legislative sessions, so Iowa is protected (at least for now) by a Republican-controlled pro-life senate and house in Des Moines. It is very important to know who the pro-life candidates are in every election. Currently, in Iowa, the Republican candidates do not support a pro-abortion amendment, but Democrats would.

Here's some news regarding pro-lifers fighting back against wrongful prosecutions. Pennsylvania Pro-life activist Mark Houck, who was found not guilty of violating the FACE Act when he pushed an abortion harasser away from his 12-year-old son, has now sued the Department of Justice for wrongfully charging him. The Department of Justice used 20 heavily-armed federal agents to storm his home at dawn on September 23, 2022.

Going South for the winter??

Please contact the DCRTL office (reception@dcrtl.org; 563-556-5960) with your winter address and the dates during which you will be gone. You may choose to have us discontinue the monthly newsletters or have them sent to your winter address. We can also make sure you receive it via email!

Now Hiring - Outreach Coordinator

We are seeking a candidate who passionately wants to build a culture that protects the pre-born child, supports pregnant mothers, and advocates for the right to life for the disabled and elderly. We need an Outreach Coordinator to help us get our message out to the community. This is accomplished through a monthly newsletter to over 2,000 people, coordinating large and small events, running social media pages, setting up programs in the schools, connecting with key people in the community, and much more. No two days are the same.

As one of the main people that our members and the general public will interact with, we are in search of someone who has strong interpersonal skills, while also working in a role that is results driven. The applicant must also have technology skills. As a small team, we also do the little things such as cleaning the office and keeping it organized. If you, or you know someone who desires to build a culture of Life in the Tri-state area, we would love to chat.

You can apply by sending your resume and letter of introduction to Augustine Payne at apayne@dcrtl.org. If you have any questions, you can email or call us at 563-556-5960.

Board of Directors Elections

Congratulations to your re-elected members of the board of directors: Laura Dolehide, Jessica Pennington, and Cassie Schetgen! We are appreciative for their past service on the Board, and we are so excited that they have decided to continue to serve for another term.

Welcome to Kris Pregler who was nominated at the Membership Meeting and unanimously elected to serve on the Board. Please see below to learn more about Kris!

Thank you to Martha Schmid for your service on the Board! Martha has decided to take a break from the Board of Directors. We are grateful for her service on the Board.

At our last Board of Directors meeting, the board unanimously nominated Cait Dolehide as Chairman, Art Gilloon as Vice-Chairman, Sara McDonald as Secretary, Kris Pregler as Treasurer! We thank you for being willing to serve in this capacity.

Kris Pregler Introduction:

Kris Pregler was born and raised in Dubuque IA and is the youngest of 4 children belonging to Robert and Shirley McLaughlin. Kris married her husband Mark in 1995 and they have one son and two grandchildren. She and her husband are self-employed and run their own Real Estate and Property Management Company. She attended St. Joseph the Worker Catholic School from 1st - 8th grade then went on to graduate from Dubuque Senior High School. She moved to

Minnesota after graduating high school where she was first introduced to the Pro-Life movement. She has been a passionate advocate ever since. Kris moved back to the Dubuque area in 2020. In 2023 she attended the Equipped for Life seminar at DCRTL and was part of the team that volunteered at the 2023 Dubuque County Fair to educate and create dialogue about every human's right to life. She feels that God has placed her in the right place at the right time in order to allow her to step into the duties as Treasurer for DCRTL and to continue the mission to save lives.

Legislative Update (continued from page 5)

Even after Houck offered to voluntarily appear on an arrest warrant, 20 federal agents raided his home and terrorized his family. They needlessly aimed rifles and handguns at his wife as her children cowered in fear behind him. For more on this lawsuit, which seeks \$4.3 million in damages, check out Lifefews.com.

Thanks for reading and staying informed.
